## MESSAGE FROM WILAT MALAYSIA CHAIRPERSON

*I am honored and privileged to have witnessed the “maiden voyage” of the e-Newsletter of the Women in Logistics and Transport (WiLAT) in Malaysia. Of course, “nothing is easy, but everything is possible”, this publication would not be possible without the support I received from my beloved ladies’ team.*

*Our sincere and heart-felt “Thank You” to Dato’ Ts Abd Radzak Abd Malek FCILT (International President), Ts Hj Ramli Amir FCILT (National President) and Dato’ Muhammad Muhiyuddin Bin Hj Abdullah CMILT (WiLAT’s Advisor), and who had provide us with all support, guidance and precious life lessons. We, WiLAT Malaysia, will always keep you in our hearts!*

*As elaborated and endorsed, we have been focusing on the 5 areas of development, as far as WiLAT’s inspiring programme is concerned, namely WiLAT Kitchen, Public Speaking, Road Safety, Art & Craft and Healthy Lifestyle.*

*However, each chapter reflects a different viewpoint on the topic, and the chapters bring us with a few angles of thought, but we take a fundamentally different viewpoint on the merits of the argument. We never be afraid to dream, with hard work and dedication, we can make those dreams come true. However, ontological constraints may be unavoidable along the journey, but any assistance you can provide would be greatly appreciated.*

*Thank you.*

*Stronger together!  
#WeShareWeCare#*

*Ts Amy Ooi PJM, CMILT  
Chairperson  
WiLAT Malaysia*

# Women in Logistics and Transport

## → Our Roots

Women in Logistics and Transport (WiLAT) was launched in June 2013 to promote our industry to female members and to encourage and support their career development. By 2018 WiLAT had over 2000 members in 20 countries and we're still growing. Nigeria was the first to establish a women group in 2010 while the global launch of WiLAT was in Colombo in June 2013.

WiLAT are formed within CILT Territorial Organizations and Branches. In areas where CILT is not yet established WiLAT activities will be guided by the regional coordinator. Please contact your regional coordinator for more information on establishing a local group.

## What is our mission?

To promote the status of women in Logistics and Transport, to bring together those who support talent and career development of women and to provide a support network and mentoring opportunities for women in the sector

## What is our vision?

To be the most sought after for advocacy, professionalism and empowerment of women in supply chain, logistics and transport
